How can we help you?

Before seeking our advice, you probably have a number of questions you would like to ask and understand how we can help you. To help you get to know us and decide whether to use our services, we have prepared this Financial Services Guide (FSG) which is designed to explain:

1. Who we are
2. Matters we can help you with
3. How we are paid
4. Privacy
5. If you have a complaint
6. Other matters you might want to know
7. Our relationships

If you need more information or clarification, please contact us.

1. Who we are

Northern Rivers Financial Advice is a privately owned financial planning business. We are not owned or controlled by the major banking corporations. Northern Rivers Financial Advice was created to provide results driven, client centred advice of the highest standard.

Our core values are:

- Integrity – we respect the trust our clients place in us
- Relationship – we spend time with our clients, so we know what is important to them
- Professionalism – we are committed to the highest level of technical skills and ethical standards.

Direction Advice Group is a privately run financial planning business owned by the firm's advisers. We are an amalgamation of like-minded practices where you are central to every decision our advisors make. Our advisors are required to act in your best interest. Most advice firms today are owned by or connected to large product manufacturers like the big banks or AMP. These advice firms align with these product makers to get certain cost savings advantages. We feel there must be a better way. In the same way local farmers on the North Coast have come together and formed a co-operative for the benefit of locals, our advice firms have done a similar strategy of coming together to offer genuine advice for the benefit of people of the North Coast and all Australians.

We are not owned or controlled by the major banking corporations. We believe when you make smart choices with your money you enjoy more of the things we all want, financial security, peace of mind, a sense of control and a retirement with dignity. We believe that making better financial decisions is the key. However, US President Kennedy once said, "effort and courage is not enough, without Direction". Financial Success is more about Direction and having a Direction Advice Group adviser on your side will consistently provide you with sound financial direction.

Direction Advice Group Pty Ltd holds its own Australian Financial Services License (492953).

This FSG is given to you by your adviser with the authority of Direction Advice Group Pty Ltd. When a member of our team provides financial services to you, they will be acting for you on behalf of Direction Advice Group Pty Ltd

3. How we are paid

Licensee Remuneration

Direction Advice Group Pty Ltd receives a monthly fee from the underlying practices within the license to meet its fixed and variable costs as well as meeting its fiduciary obligations as an Australian Financial Services Licensee. This includes Professional Indemnity insurances.

Adviser Remuneration

Fee for Service

Your adviser will discuss with you how they charge and their advice fees prior to proceeding.

Generally, our advisers charge a fee for our service and this is based on an hourly rate. This may also include a Statement of Advice (SoA) preparation fee. This can range between \$500 and \$5,500 (inclusive of GST) depending on the complexity and the time spent. Your adviser will discuss with you these fees and how they can be paid.

Ongoing Adviser Service Fees may be charged on investment and financial planning advice. This can range between \$2,200 to \$15,000. Many clients prefer to be charged a flat dollar fee for ongoing investment and financial planning advice. This can be a flat dollar amount in the above range but subject to a minimum of \$2,200. Depending on your circumstances you may be offered a combination of either percentage based fees and flat dollar fees or solely percentage based. If a percentage based fee of 0.8% of funds invested was applied, then on a \$100,000 investment, \$800 would be charged. Your adviser will discuss with you their ongoing fees prior to proceeding.

Initial & On-going Commissions and Fees

There are **no** initial or ongoing commission payments for new investment type financial products, including super and pension products. Ongoing commission for products placed prior to 30 June 2013 may be received and is up to 0.6% of funds invested. Meaning on \$100,000 invested an ongoing commission of \$600 would be received.

Personal Risk Insurance

Where applicable, we recommend insurance that provides the best value for our clients in terms of cost and the benefits of the policy. The majority of insurance companies will only pay a commission, for any personal insurance recommendations which we make. The level of commission payable will be fully disclosed to you prior to our recommendation and set out in writing for you.

The upfront commission for life insurance financial products can range between 60% and 88% of the initial annual premium depending on the product provider, while on-going commission may range between 10% to 22%. For example, on an insurance premium of \$1,000 paying 88% initial commission and 22% on-going commission, the upfront commission would be \$880 and the on-going commission \$220 per year.

Further details about fees, commissions and or other benefits your adviser receives for recommending investments will be available to you when specific recommendations are made in the SoA or Record of Advice (RoA).

4. Privacy

We will need to find out your individual objectives, financial situation and needs before we recommend any financial product to you. You have the right not to divulge this information to us, if you do not wish to do so. In that case, we are required to warn you about the possible consequences of us not having your full personal information. You should read the warnings carefully.

We keep a record of the personal information, which may include details of your investment objectives, financial situation and particular needs, you provide to us. On your request, we can provide you with a copy of your personal information and advice documents, which we keep on record for no less than 7 years. Please note that a fee for this service may apply.

We will also collect information from you to meet our obligations under the Anti-Money Laundering and Counter-Terrorism Financing Act.

We are committed to implementing and promoting a Privacy Policy which will ensure the privacy and security of your personal information. A copy of our Privacy Policy can be located at www.directionadvice.com.au and is also enclosed below.

5. If you have a complaint

We are committed to providing quality advice to you. This commitment extends to providing accessible complaint resolution mechanisms for you.

If you have any complaint about the service provided to you, you should contact the Director of Direction Advice Group Pty Ltd, on 02 66863579 or email admin@directionadvice.com.au about your complaint and we will try and resolve your complaint within 45 days.

6. Other matters you might want to know

We will also provide you with a SoA whenever we provide you with any advice which takes into account your objectives, financial situations and or needs. The SoA will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

If we give you further advice, or when no financial product is recommended, a RoA may be provided to you instead of a SoA. You can request a copy of the RoA by contacting us (if you have not previously received a copy) within 7 years of that further advice being given.

In the event we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure

Statement containing information about the particular product which will enable you to make an informed decision in relation to the acquisition of that product.

We hold professional indemnity insurance cover for the activities conducted under our AFS licence which we believe satisfies the requirements of s.912B of the *Corporations Act 2001* for compensation arrangements. The insurance will cover claims in relation to the conduct of authorised representatives, representatives and employees who no longer work for the Licensee (but who did at the time of the relevant conduct).

7. Our relationships

Neither your Adviser nor the Licensee have any association or relationship with the issuers of financial products that might reasonably be expected to be capable of influencing them in the provision of financial services.

It is a requirement that our advisers are members of a professional association. Our Member advisers are part of various professional associations.
