# How do I start?

## Opening an Account

To open an Account:

- 1 Ensure you open or are already a holder of a Macquarie CMA.
- 2 Read this Product Information Statement and the *Further Information Guide*.
- 3 Authorise the online application process initiated by your Financial Services Professional. Some applicants may be required to provide additional documentation.

## You and your Financial Services Professional work closely together

If you have a Financial Services Professional, they may be critical to the ongoing management of your Account. Your authorised Financial Services Professional can obtain Account information and we will attempt to contact them in the first instance if any follow up is required on your Account. Your Financial Services Professional is also able to assist you with any queries you may have regarding your Account.

You choose and appoint your Financial Services Professional. Unless your Financial Services Professional is a representative of a Macquarie Group company, no Macquarie Group company is responsible for the acts or omissions of your Financial Services Professional. You can also choose whether your Financial Services Professional has transact or view-only access to your Account.

## Joint Accounts

If you open an Account with more than one person, you are all liable jointly and severally for transactions, fees and costs on the Account. As a result, all joint Account holders must authorise the application form to set up the Account operating instructions. For example, 'any one of us to sign' or 'any two of us to sign'. Should you wish to alter the Account operating instructions in the future, you should notify us in writing, in accordance with the signing instructions of your Account.

If there is a dispute about the authority to operate the Account, we reserve the right to permit operation on the Account only when all joint Account holders have authorised the instruction. When an Account is held in joint names and one Account holder dies, the credit balance in the Account will be treated as owing to the surviving Account holders.

## Authorising a third party to access your Account

You can appoint another person or company to have access to and operate your Account by granting Limited Third Party Authority as part of your application. Please note that unless you grant this authority, your Financial Services Professional will only have account enquiry access on your account.

You can arrange to have the authority of any third party appointed by you revoked at any time by calling us on 1800 806 310.

Terms relating to each of the levels of authority are as follows:

- *Enquiry Authority* – enables a third party to enquire on your Account
- *Limited Funds Transfer Authority* – enables a third party to transfer funds interchangeably between your Macquarie CMA and your Account.

Refer to the *Further Information Guide* for more details.

## What interest do I receive?

For the current interest rate(s) applicable to you, please contact your Financial Services Professional. Your interest is calculated daily and paid monthly. Refer to the *Further Information Guide* for more details.

## Taxation<sup>3</sup>

### Tax File Number (TFN), Australian Business Number (ABN), or exemption reason

Our collection of your TFN is authorised, and its use and disclosure is strictly regulated, by tax laws and the *Privacy Act*.

You may quote your entity's ABN as an alternative to its TFN if you are opening the Account for purposes related to that entity's business. An Australian Company Number (ACN) cannot be quoted in lieu of a TFN/ABN. If only an ACN is provided tax may be withheld at the top marginal rate (plus Medicare Levy).

You do not have to provide us with your TFN, and declining to do so is not an offence. If you do not quote your TFN (including all TFNs for joint accounts), ABN, or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate (plus Medicare Levy).

For more information about the use of tax file numbers, please contact the ATO.

### Non-residents

If you are a non-resident of Australia for taxation purposes, you must provide us with your overseas residential address.

Tax may be withheld on the interest you earn on your Account if you are a non-resident of Australia.

## Incomplete applications

In cases where your application is incomplete or you have not provided all necessary information in order for us to fulfil our due diligence obligations under applicable anti-money laundering laws, taxation laws, rules and subordinate instruments and/or Macquarie internal policies and procedures, we will be unable to complete the application and will open your Account only when we receive all required information. We will return your deposit to you along with all interest earned on it while it is held by us, within 30 days of receiving it, should we be unable to open your Account within that time (including for any of the above reasons).

**For more information about the use of tax file numbers, please contact the ATO.**

<sup>3</sup> Macquarie Bank Limited does not give, nor purport to give, any taxation advice. The application of taxation laws depends on a client's individual circumstances. Accordingly, you should seek independent professional advice on taxation implications before making any decisions about a financial product or class of products.

You should always keep your computer and mobile device up to date with anti-virus and anti-spyware software, set up with firewall protection and scanned regularly. Avoid using shared computers (eg at an internet cafe) as you may be unable to check whether the latest anti-virus software has been installed. We recommend that you only use Electronic Banking if you are sure your virus protection is up to date.

Contact us immediately on 1800 806 310 if:

- you find an unauthorised transaction
- you suspect that someone has gained access to your Secret Code or is using your Secret Code without your authorisation, or
- your Secret Code, computer or mobile device becomes lost or stolen.

### Account closure

You can ask us to close your Account at any time by contacting us (conditions apply) or sending us a request in writing. We may in our discretion require both Account holders to provide instructions to close a joint account. Before we agree to close your Account, you must pay any amount which may be owing to us.

If we close your Account, we will pay you the remaining balance of your Account along with any accrued interest after all transactions and fees and charges have been debited to your Account.

If your Account is closed, you will be liable for any transactions that were not processed, or that occur after the Account is closed. Please make sure you notify anyone who directly credits into your Account.

If you close your CMA or open a Macquarie Wrap account that uses your CMA, we will automatically close your Account as well.

# What are the fees and processing times?

## Fees and charges

Macquarie has fees and charges that apply for certain services. These fees are payable when you request such services and are debited from your Account as set out in this section or as notified to you by us from time to time.

We may adjust debits and credits to your Account, and the balance or interest accrued on your Account, in order to accurately reflect your and our legal obligations (for example, because of an error or because a direct debit payment is dishonoured).

The fees in the following table apply for incidental services and special requests in relation to your Account. These fees are payable when you request the relevant services and are debited from your Account. Details will be outlined on your statement.

We may deduct from your Account any government charges or taxes which are introduced or become applicable to your Account after commencement. We may change (acting reasonably) these fees or charges from time to time (including introducing new fees and charges, or changing the way fees and charges are calculated or debited to your account). There is no maximum limit for the amount of fees and charges we may impose, however any such charges will be decided at our reasonable discretion. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law.

Any failure by us to charge a fee shall not constitute a waiver of that fee or the right to charge that fee in the future.

### Table of fees

Viewed online	Free
Paper audit letter	\$60.00 per request
Statements:	
Viewed online	Free

We offer a facility where you may authorise a company, firm or another person to have access to or withdraw from your Account. You can revoke these authorities at any time by contacting us on 1800 806 310. We will update this in accordance with the signing instructions on your Account.

There are two types of authority:

- Enquiry Authority, and
- Limited Funds Transfer Authority.

The rights and obligations attaching to each level of authority are described in these terms.

Please consider carefully who you appoint as a third party authority on your Account as we may follow their instructions as if they were yours. It is important that you understand this risk and carefully consider what level of authority you give to them.

### General terms which apply to all levels of third party authority

- 6.1 Only you may appoint a third party to access or withdraw from your Account.
- 6.2 If you appoint a third party to withdraw from your Account they will also automatically be able to enquire on your Account.
- 6.3 We can impose conditions at any time (acting reasonably).
- 6.4 You acknowledge and agree that these terms apply to the third party you appoint in the same way that they apply to you. You must ensure that every third party has read and complies with these. You will be in breach of these terms if any third party does not comply with these.
- 6.5 This authority takes effect on the date when we amend our records to note the appointment of the third party. This continues until we cancel it or you cancel it by

contacting us. Cancellation takes effect on the date when we amend our records to note the change.

- 6.6 We will notify you if we cancel the appointment of a third party.
- 6.7 We will cancel the authority given to a third party if we are notified of the death, bankruptcy or loss of capacity of either you or the third party.
- 6.8 Third parties can not set up direct debits on your Account or give other third parties access or authority on your Account.
- 6.9 Where you give authority to a company or firm:
- a. the company or firm will give us details of people who can transact on its behalf
  - b. you acknowledge and agree that the company or firm may do this and the people they nominate can access your Account according to the authority you have given to them
  - c. we will only act on withdrawal requests from the company or firm, if the person requesting the withdrawal has been nominated by it in accordance with our procedures, and
  - d. the company or firm must contact us if any nominated person no longer has authority. If you change adviser or cease using one, you should ensure you contact us immediately to cancel their authority. Otherwise, that person may still be able to operate your Account.
- 6.10 You acknowledge and agree that if the third party appointed by you does not comply with these terms, we may unilaterally cancel the person's authorisation, suspend, freeze or block your Account.
- 6.11 You release us from all claims and liabilities in relation to your Account resulting from the appointment of any third party, including your Financial Services Professional or any person nominated by them. However we remain liable for any loss or liability which:
- a. arises as a result of our negligence, or
  - b. by operation of law we cannot exclude.

### Terms relating to each of the levels of authority

- 6.12 **Enquiry Authority**
- a. You authorise the third party to have access to information about your Account.
  - b. Enquiry Authority does not allow the third party to make withdrawals from your Account, changes to your Account details, close your Account.
- 6.13 **Limited Funds Transfer Authority**
- a. You authorise the third party to have access to information about your Account.
  - b. You authorise the third party to transfer funds interchangeably between your Macquarie CMA and your Account.
  - c. Your authorised third party cannot otherwise transact, change details on your Account, or close your Account.

## 6.14 Bulk transacting by a Financial Services Professional

Bulk transacting is an administration tool we provide to your Financial Services Professional. The tool helps them efficiently collect fees and make bulk payments from multiple Accounts that they or various Financial Services Professionals working for the same firm may have with us. We only permit this tool where you have provided the required level of authority over your Account to your Financial Services Professional.

There are no fees or charges to you for the use of bulk transacting by your Financial Services Professional.

Please check the transactions on your Account carefully. If you suspect any error or unauthorised transaction please promptly notify us.

## 7. Electronic Banking

We provide secure Online Banking and Mobile Banking which enable you to access information about your Account, update aspects of that information and make payments to other accounts.

The first use of any Electronic Banking service will constitute your agreement to these terms.

### 7.1 Online Banking and Mobile Banking

#### a. Online Banking

Online Banking is a service which enables you or an Authorised User to access and/or transact on your Account over the internet.

#### b. Mobile Banking

Mobile Banking enables you or an Authorised User to access and/or transact on your Account, using a Mobile Device with internet connectivity. Mobile Banking will be available to you by downloading Macquarie's Banking App to your Mobile Device. Full Mobile Banking functionality may not be available for your Account as at the date of this Further Information Guide.

### 7.2 Access

To access Online Banking and Mobile Banking, you or an Authorised User will need a Macquarie ID, Password and/or PIN.

#### a. Online Banking

For Online Banking, you and each Authorised User will either be required to set your own Password or change a temporary Password that we send you.

There may be times when Online Banking is unavailable from some computers and devices, for example, due to hardware or software restrictions or problems with internet connectivity. You and your Authorised Users are responsible for obtaining access to Online Banking. Specifically, you and your Authorised Users are responsible for all equipment necessary to access Online Banking. The system requirements to access Online Banking are set out in the Important Information Statement (available online).

#### b. Mobile Banking

To first access Mobile Banking you or an Authorised User will need to use a Macquarie ID and Password. You and any Authorised User can then select a four digit PIN for your Mobile Device and use it in place of using a Macquarie ID and Password each time.

If the technology is available on your Mobile Device, you may be able to sign into Mobile Banking using a fingerprint or other biometric authentication stored on your Mobile Device as an alternative to signing in with your Macquarie ID and Password or PIN. You may turn this option on or off at any time using the Settings menu within Mobile Banking.

### 7.3 Funds transfer

You or an Authorised User may be able to transfer funds to and from your Macquarie CMA from your Account to another bank account through Electronic Banking.

We do not carry out checks to determine if the details provided in a funds transfer instruction are correct. For example, we do not check that the BSB and account numbers provided correspond with the account name of the payee.

Once a funds transfer instruction has been accepted by us, it cannot be cancelled except if it is a Scheduled Funds Transfer.

#### Scheduled Funds Transfers

You or an Authorised User can arrange to make a funds transfer including to and from your Macquarie CMA on a future date.

Instructions for a Scheduled Funds Transfer will remain in effect until they are revoked or otherwise terminated by you or us.

You may modify or cancel a Scheduled Funds Transfer by making the required change(s) in Electronic Banking by the relevant cut off time. Scheduled Funds Transfers set up by written request cannot be changed via Online or Mobile Banking.

Please refer to the *Product Information Statement* for details of relevant cut off times.

### 7.4 Mistaken payments

A Pay Anyone Payment that is made by you or an Authorised User to an unintended recipient is referred to as a Mistaken Internet Payment.

#### a. Mistaken Internet Payments made by you or an Authorised User

You or your Authorised Users should report Mistaken Internet Payments by calling us as soon as possible as delays may impact on our ability to recover the funds on your behalf.

We will need to collect information from you or an Authorised User that will allow us to investigate and determine whether a Mistaken Internet Payment has occurred. We will provide a reference number, or some other form of acknowledgement, which should be retained as evidence of the date and time of the report.

If we are not satisfied that a Mistaken Internet Payment has occurred, we will not take further action and you will be liable for the loss arising from the payment.

If we are satisfied that a Mistaken Internet Payment has occurred, we will send a request for the return of the funds to the ADI whose customer received the payment (known as the **receiving ADI**).

Sending this request to the receiving ADI requires us to disclose information to that ADI about your Account and the Mistaken Internet Payment.

If the receiving ADI is also satisfied that a Mistaken Internet Payment has occurred and there are sufficient funds available in the unintended recipient's account, the receiving ADI will attempt to recover the funds and return them to us and we will credit them to your Account. The following process will apply where:

- the Mistaken Internet Payment is reported to us within 10 Business Days after the payment is made, the receiving ADI is required to return the funds to us within 5 to 10 Business Days of receiving our request
- the Mistaken Internet Payment is reported to us between 10 Business Days and 7 months after the payment is made, the receiving ADI will give the unintended recipient 10 business days to establish that they are entitled to the funds, and if they do not, the receiving ADI will return the funds to us within 2 Business Days of the expiry of that period and
- the Mistaken Internet Payment is reported to us more than 7 months after the payment is made, the receiving ADI will ask the recipient if they agree to the return of the funds to us.

If the receiving ADI is satisfied that a Mistaken Internet Payment has occurred but there are insufficient funds in the unintended recipient's account, the receiving ADI will use reasonable endeavours to obtain a refund for you (for example, by facilitating repayment of the funds by the recipient through instalments).

If the receiving ADI is not satisfied that a Mistaken Internet Payment has occurred, it may (but it is not obliged to) seek the consent of the recipient to enable the return of funds to us.

You will be notified in writing, within 30 Business Days of receipt of the report of a Mistaken Internet Payment from your Account, of the outcome of our investigation. If you are not satisfied with how the report is handled by us, you can make a complaint.

#### b. **Mistaken payments received by you**

You may receive funds into your Account where you are not the intended recipient due to a sender entering the wrong details when making an internet payment. This clause applies to that situation.

If you become aware of any payments into your Account of which you are not the intended recipient, please contact us as soon as practical.

Where we receive a request for the return of funds from an ADI whose customer reports a mistaken payment into your Account, we are satisfied that a mistaken payment has occurred, and there are sufficient funds in your Account, we may:

- debit your Account with the amount of the mistaken payment without notifying you or

obtaining your consent (if the sender reports the mistake within 10 Business Days of the payment), or

- restrict your access to the funds and give you 10 Business Days to establish that you are entitled to the funds before debiting the Account (if the sender reports the mistake after 10 Business Days but within 7 months of the payment).

Otherwise, we will seek your consent to return the funds.

If we are satisfied that a mistaken payment has occurred, but the balance of your Account is less than the amount of the mistaken payment, we will contact you to discuss how best to facilitate repayment to the sender.

Where we are unable to determine that the payment was a result of a mistaken payment, we may still contact you to seek your consent to the return of the funds.

Notwithstanding the above provisions, if you are a recipient of income support payments from Centrelink, we will only seek to recover the funds from you in accordance with the Code of Operation for Centrelink Direct Credit Payments.

## 7.5 **BPAY payments**

You or an Authorised User may be able to make BPAY payments to Billers (which may include us) from your Account through Electronic Banking. Macquarie is a member of the BPAY Scheme and will tell you if it is no longer a member.

BPAY payments can be made from your Macquarie CMA and can be made immediately or on a date up to 12 months in the future.

Some Billers will not accept BPAY payments from certain account types and others may have restrictions on the amount that can be paid by BPAY.

Enhanced security measures may be required for certain BPAY payments. See clause 9.8 for further details.

You can request access to your information held by BPAY by emailing [privacy@bpay.com.au](mailto:privacy@bpay.com.au), or by referring to the procedures set out in the BPAY privacy policy which can be found at [www.bpay.com.au/Privacy.aspx](http://www.bpay.com.au/Privacy.aspx). BPAY's privacy policy contains information about how you may complain about a breach of the *Privacy Act 1988 (Cth)*, and the process by which your complaint will be handled.

#### a. **Processing instructions**

To make a BPAY payment from your Account, you or an Authorised User will need to provide the following details:

- the Account from which the BPAY payment is to be made
- the Biller code, and
- the Customer Reference Number (**CRN**).

We'll debit your Account with the bill amount that you specify.

Except for a scheduled payment (please refer to the *Product Information Statement*), a BPAY payment instruction cannot be cancelled.

If we are advised that a BPAY payment cannot be processed by a Biller, we will notify you, credit your Account with the amount of the BPAY payment and take all reasonable steps to assist you in any further attempt to make the BPAY payment.

When we make a BPAY payment we are not acting as your agent or the agent of the Biller to whom the payment is directed.

**b. Scheduled BPAY payments**

You and your Authorised Users can arrange for a BPAY payment to be made up to 12 months in the future. Some Billers do not allow for recurring payments to be set up; we will notify you at the time of setting up the transaction if this is the case.

A scheduled BPAY payment may not be processed for a number of reasons, including:

- the Biller no longer participates in the BPAY Scheme
- there are insufficient cleared funds in your Account on the day the payment is scheduled, or
- the payment would cause your daily BPAY transaction limit to be exceeded.

For scheduled processing times, please refer to the *Product Information Statement*.

**c. Mistaken BPAY payments**

Care should be taken by you and Authorised Users to enter the correct amount and Biller's details. If the amount entered is greater than intended, you or the Authorised User must contact the Biller to obtain a refund. If less, another BPAY payment can be made to make up the difference.

If you or an Authorised User told us to pay the wrong Biller and we cannot recover the amount within 20 Business Days, we will seek this amount from you. The receipt by a Biller of a mistaken or erroneous payment does not satisfy the debt owed between you and the Biller.

You should check your Account carefully and promptly report to us any BPAY payments you think are errors or that were not authorised by you or an Authorised User. The longer the delay in notifying us of the error, the more difficult it may be to correct this. You may need to liaise directly with the Biller to correct the error if, for example, because of delay, we no longer have sufficient information to investigate it.

For us to investigate a BPAY payment from your Account that may be unauthorised, you or an Authorised User must first give us your consent, addressed to the Biller who received that BPAY payment, authorising us to obtain information about your account with that Biller, or the BPAY payment. You will need to include your CRN and any other information we require. If you do not give us the consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY payment.

If a BPAY payment was made to a person or for an amount not instructed by you or an Authorised User,

and your Account was debited with the payment, we will credit that amount back to your Account.

Disputes in relation to unauthorised, fraudulent or wrong BPAY payments will be handled in accordance with the Macquarie Complaints Policy. Your liability for unauthorised and fraudulent BPAY payments will be determined in accordance with clause 9.9. No chargeback rights are available in respect of a BPAY payment from your Account.

Subject to law and to clause 9.9 as relevant, we are not liable for any consequential loss or damage you may suffer as a result of using the BPAY Scheme, other than due to our negligence.

**d. Fraud-induced BPAY payments**

You must tell us promptly if you think that you have been fraudulently induced to make a BPAY payment. We will attempt to rectify any such matters in relation to your BPAY payments in the way described in this clause.

If a BPAY payment is induced by the fraud of a biller or person involved in the BPAY scheme, then that biller or person should refund you the amount of the fraud-induced payment. However, while we would assist you to pursue a refund, if that person does not refund you the amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud. You must exercise care about the biller you deal with, the security of your Login Details and the accuracy of your instructions to us.

**7.6 General information on transactions**

When you or an Authorised User make a transfer or a payment on your Account through Electronic Banking, the following general conditions apply:

- a. we will confirm the receipt of instructions to transact (although not the transaction itself)
- b. you should check your Account and Macquarie CMA records carefully and report to us as soon as you become aware of any payments that you think have been made in error or which were not authorised (see clause 9.9 for liability for unauthorised payments)
- c. you should notify us promptly if you become aware of any delays or mistakes in processing transactions
- d. you authorise us, and we are entitled, to act upon any instruction received via Electronic Banking in conjunction with the correct Login Details and other terms agreed between you and us
- e. we will not be obliged to effect a payment instruction if:
  - i. it is not made in accordance with these terms and conditions or the payment is prohibited by these terms and conditions
  - ii. the information given to us, or requested by us, is incomplete and/or inaccurate
  - iii. we are restricted or prohibited by law, regulation, industry code, or the requirement

- of a government or similar authority from permitting the payment to occur
- iv. the instruction is not accepted by our system
- v. there is a technical failure of equipment, our system or outside our system, which causes a delay in the transmission or acceptance of the instruction
- vi. the financial institution to which the payment is to be made does not accept it or delays accepting it
- vii. your or an Authorised User's right to participate in Electronic Banking is suspended
- viii. there are insufficient cleared funds in the Account from which the payment is to be made to cover the amount of the payment on the day the payment is instructed to be made, or
- ix. the request would cause you to exceed any daily limit (on the day the payment is instructed to be made) we impose on your Account or your use of Electronic Banking
- f. we will perform a payment instruction as soon as possible, however we do not guarantee that any transaction we are instructed to make will be made on the day or at the time requested, and
- g. we have absolute discretion to determine the order in which we give effect to payment instructions received.

## 7.7 Fees and charges

There are no establishment or ongoing fees for accessing or using Electronic Banking.

However, access and use of the Electronic Banking services may involve third party fees, including from:

- internet service providers
- telecommunications providers for downloading or using Mobile Banking.

You should refer to the relevant third parties for details of their fees and charges.

While your instructions can be given at any time, including to and from your Account, there may also be fees and charges that apply to transactions conducted on your Account through Electronic Banking – refer to the *Product Information Statement* for details.

## 7.8 Enhanced security measures

For certain activities on your Account, you or an Authorised User may be asked to comply with our enhanced security measures. Such circumstances may include when you or the Authorised User make a funds transfer to a new recipient, or make a BPAY payment to a new Biller.

Our enhanced security measures provide an additional layer of security to protect you and us from unauthorised transactions and fraud. The measures may change from time to time at our discretion and include any appropriate method of authentication, or contacting you to verify the transaction or activity on your Account.

Two-factor authentication, often referred to as "2FA", is an authentication process which uses two different layers of security to verify your identity. For instance, for Online Banking the first layer of authentication relates to your Login Details and a second layer of authentication

is imposed when you or the Authorised User initiate certain transactions or perform certain activities on your Account. This additional layer of security may include, but is not limited to, the requirement to input an SMS Code, or answer security questions.

You or an Authorised User will be instructed to contact us to complete a transaction or other Account activity if any enhanced security measure is not successfully satisfied.

## 7.9 Liability for unauthorised transactions

You are not liable for loss arising from Electronic Banking transactions carried out using Login Details without your or an Authorised User's knowledge or consent (**unauthorised transactions**) that occurs after we have been informed that the security of a Secret Code has been breached.

## 7.10 Security

### a. Security and Fraud

We are committed to providing the highest quality of financial services within a trusted environment. Please read the Security and Fraud statement available online, [macquarie.com/au/about/disclosures/security-and-fraud](http://macquarie.com/au/about/disclosures/security-and-fraud).

### b. Equipment security

You and your Authorised Users must take all reasonable steps to protect the security of your respective computer hardware and software, and Mobile Device. Reasonable steps include:

- for computer hardware and software: protecting your computer from viruses and maintaining passwords
- for Mobile Devices: setting screen lock passwords and ensuring that others do not have access to the use of your Mobile Device.

You and your Authorised Users should log out from Online Banking and Mobile Banking at the end of each session.

For security purposes, we reserve the right at any time to log you and any Authorised Users out of Online Banking and Mobile Banking.

Where you or an Authorised User remove some system level restrictions on a Mobile Device by, for example, 'jailbreaking' or 'rooting' the Mobile Device, you release us from any loss arising from fraudulent activity carried out on the Mobile Device, including in respect of your Account.

It is important that, if you wish to use a fingerprint or other biometric authentication stored on your Mobile Device to log in to Mobile Banking, no such authentication other than your own are stored on your Mobile Device. If someone else's fingerprint is stored on your Mobile Device, that person may be able to view your Accounts and perform transactions in Mobile Banking. We will treat as authorised, and you will be responsible for, any Mobile Banking transactions performed using a fingerprint or other biometric authentication stored on your Mobile Device.

### c. Security guidelines

The security of you and your Authorised User's Secret Codes is very important, as whoever has access to them may be able to perform transactions on your Account. These guidelines are designed to help you keep your and your Authorised User's Secret Codes secure.

By following these guidelines, you and your Authorised Users can assist in preventing unauthorised transactions on your Account. These guidelines do not determine your liability for unauthorised transactions. Your liability will be determined under clause 7.9 and any applicable codes of practice to which we subscribe.

To protect your Secret Codes you and your Authorised Users should:

- not disclose any Secret Code to anyone, including a family member or friend
- take care to prevent anyone seeing a Secret Code entered into a computer, Mobile Device or telephone
- try to commit all Secret Codes to memory and not record them by any means (including by storing them on a computer or Mobile Device, or any article that could be accessed or stolen along with a computer or Mobile Device) without making a reasonable attempt to disguise them
- not choose a Secret Code which can be easily guessed including, for example, a Secret Code that uses repeated characters, consecutive numbers, or a Secret Code that represents a recognisable part of your or their name, birth date, telephone number or driver's licence number, and
- change all Secret Codes at regular intervals.

The following are not reasonable attempts at disguising a Secret Code:

- recording it in reverse order, as a telephone number or as a date (including a birth date) or as an amount, or
- recording the Secret Code in any other way that can be easily identified.

### d. Reporting loss, theft or misuse of Secret Codes and devices

You or an Authorised User must immediately notify us if it is suspected that the security of a Secret Code or Mobile Device has been breached. You or an Authorised User must also promptly notify us of any unauthorised transactions on your account.

If we are unable to be contacted by phone because our lines are unavailable, you will not be liable for unauthorised transactions which could have been prevented had we been contactable, provided we are told within a reasonable time after our telephone facilities become available again.

Please contact us 24 hours a day, 7 days a week, by calling us on 13 31 74.

### 7.11 Suspension and termination

We may suspend and/or terminate your or an Authorised User's use of Electronic Banking:

- due to any suspected fraud or breach of these terms
- where your use may cause loss to you or us
- to comply with our obligations under any applicable laws or requests by government agencies, or
- due to unexpected technical or security issues or problems.

We will endeavour to give you reasonable notice of suspension or termination of your Account.

Please contact us to suspend your or an Authorised User's access to Electronic Banking.

### 7.12 Notices and Mobile Banking notifications

Where you agree that we may give all notices and other communications in connection with these terms and conditions electronically, we will do so:

- by emailing them to your last known email address or sending them through SMS to your last known mobile telephone number, or
- by making them available online.

Where communications are made available online, we may notify you of this fact by email or SMS.

You should check your emails and SMS messages regularly.

We may use push notification technology to deliver certain information concerning your Account directly to your compatible Mobile Device – for example when you make a transaction on your Account. You can turn these notifications on or off at any time using the Settings menu within Mobile Banking. If you have Mobile Banking notifications turned on, we may use this service to deliver: information concerning your Account, service or security announcements, advise that a new version of Mobile Banking is available, and/or marketing and other communications as described above.

Mobile Banking notifications are offered for your convenience and, when received in relation to a particular transaction, are not a receipt for that transaction. Depending on the notification settings you have chosen on your Mobile Device, other people with access to your Mobile Device may be able to view Mobile Banking notifications for your Accounts availability of the Mobile Banking notification service at any time, on a temporary or permanent basis, without notice to you.

### 7.13 Updating your contact details and tax residency information

You must ensure that the contact details and tax residency information that you provide to us, including your mobile number, email address and whether you become or cease to be a foreign tax resident, remain up to date.

If your details change, you must let us know as soon as possible by contacting us.

#### 7.14 Availability of Electronic Banking

We will use reasonable efforts to ensure that access to Electronic Banking is available on a 24 hour continuous basis. However, this may not always be possible.

#### 7.15 Marketing and other communications

You acknowledge that use of Electronic Banking may involve certain communications from us, such as service announcements, administrative messages and marketing material and that these communications are considered part of the Electronic Banking service.

#### 7.16 Macquarie Marketplace Terms of Use

When you select 'Purchase' you're agreeing to the below terms of our Macquarie Marketplace service:

- Macquarie Marketplace is a distributor of third-party retailers' eGift cards. Macquarie earns a margin on the purchase of the cards
- your purchase of an eGift card is final – the purchased eGift card cannot be returned or cancelled
- retailers are responsible for all aspects of their eGift cards and programs and we cannot resolve any dispute between you and the relevant retailer
- you are responsible for the use and safety of your eGift card so please treat your eGift card like cash and keep your eGift card email secure.

### 8. Suspension

8.1 We may suspend, freeze or block the operation of your Account at any time in our reasonable discretion. Examples of where this may occur include the following:

- a. if you or the third party appointed by you breach any of the terms
- b. if we reasonably consider that you or any third party authorised by you acts fraudulently or is in breach of any law
- c. if we reasonably believe that your Account is being used in a way that may cause loss to you or us
- d. if we believe that it is necessary to do so to comply with the law or applicable code.

### 9. Anti-Money Laundering

9.1 You must not knowingly do anything to put us in breach of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws).

You will notify us if you are aware of anything that would put us in breach of AML/CTF Laws.

9.2 If requested you must provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction, and/or its internal policies and procedures.

9.3 You undertake that you are not aware and have no reason to suspect that:

- a. any deposit to the Account is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
- b. proceeds of withdrawals from the Account will fund Illegal Activities.

9.4 You acknowledge that we are subject to AML/CTF Laws and/or its internal policies and procedures.

9.5 In certain circumstances we may be obliged to suspend, freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. If we freeze or block your Account because we believe on a reasonable basis that we are required to do so in order to comply with AML/CTF Laws and/or our internal policies and procedures, we are not liable to you for any consequences or losses whatsoever including where we are found liable to a third party in connection with the freezing or blocking of your Account.

### 10. Combining your accounts

10.1 We may, at any time combine the balances of two or more of your accounts held with Macquarie. For example, we may do this if one of your accounts is overdrawn or in debit and the other is in credit. However, we will not do this if for example, where:

- a. we know the accounts are not held by you in the same capacity (for example, where you have personal account and also an account as trustee for someone else)
- b. we have agreed to keep your accounts separate, or
- c. we are bound by a code of conduct not to do so (such as the *Code of Operation for Centrelink Direct Credit Payments*).

10.2 We will inform you if we have combined any of your accounts. You should not treat your accounts as combined unless we have agreed to such an arrangement. In the event that your accounts are combined, we may continue to apply separate interest rates to percentages of the combined balance in accordance with previous arrangements.

10.3 We may close any or all of your accounts as if the combined accounts had at all times been a single account.

### 11. Changes to your Account

11.1 You promise that all particulars given to us are accurate and complete.

11.2 You agree to promptly notify us of any change in:

- a. your name, address, mobile number or email address
- b. the authority of any third party, or
- c. the contents of any application form or any other documents you provide us.

11.3 We will not be responsible for any errors or losses associated with changes to your Account where we have received no or inadequate prior notice.

### 12. Taxation

12.1 Your Tax File Number (TFN) is collected in accordance with the *Income Tax Assessment Act 1936* and the *Taxation Administration Act 1953*. Provision of a TFN or Australian Business Number (ABN) is not compulsory, however, if you do not quote your TFN (including both TFNs for joint accounts) or ABN or claim an exemption, tax may be withheld from the interest paid to you at the highest marginal tax rate plus the Medicare Levy. Declining to quote a TFN is not an offence.

12.2 If you are a non-resident of Australia for taxation purposes, you must provide us with your overseas residential address. Tax may be withheld on the interest you earn on your Account whilst you are a non-resident.

### 13. Costs and expenses

13.1 You agree to pay us all reasonable costs and expenses incurred by us in connection with:

- a. the exercise and preservation of our rights under these terms, and
- b. any legal proceedings or disputes between you and a third party where we become involved in such proceedings or disputes.

These costs and expenses are payable on demand or when we debit the Account for them.

### 14. Your rights and our rights

14.1 To the extent allowed by law, you give up any right to set off any amounts we owe you against amounts you owe us.

14.2 If any provision of these terms becomes illegal, invalid or unenforceable in any jurisdiction, this will not affect:

- a. the validity or enforceability in that jurisdiction of any other provision of these terms, or
- b. the validity or enforceability in other jurisdictions of that or any other provision of these terms.

14.3 We may close your Account:

- a. if we believe you have acted fraudulently, unlawfully misused your Account or otherwise breached these terms
- b. where you act in a way that could damage the reputation of the Macquarie Group
- c. if you not made any transactions on your Account in the last 12 months, or
- d. for any of the reasons set in clause 8 or for any other reason we reasonably consider appropriate.

14.4 We also retain the right not to accept an application that we decide we do not wish to accept.

### 15. Law and jurisdiction
